Summary

Computer Science undergraduate with hands-on experience in web development, mobile app development, and Agentic AI systems. Have built real-world applications including a multi-agent grievance redressal system, reliability analysis tools for Kochi Water Metro, and Flutter-based mobile applications. Experienced with multi-agent orchestration, prompt engineering, Flutter, Firebase, and Python, along with foundational knowledge of cybersecurity and secure system design. A disciplined competitive powerlifter with multiple state-level medals, demonstrating consistency, resilience, and a strong performance-driven mindset, complemented by effective communication and teamwork skills.

Education

Amrita Vishwa Vidyapeetham , BTech in Computer Science	Aug 2023 – Aug 2027
• GPA: 9.45/10	
St. Antony's Public School, Anakkal , 12th Grade – Computer Science	June 2021 – March 2023
• Percentage: 92.5%	
CMI Public School, Chalakudy , 10th Grade	June 2018 – March 2021
• Percentage: 96.8%	

Skills

- **Programming & Frontend:** Python, Java, JavaScript, HTML, CSS, C++
- **AI & Agentic Systems:** Agentic AI Development, Multi-Agent Systems, Prompt Engineering, LLM Orchestration, RAG (Retrieval-Augmented Generation)
- **Mobile Development:** Flutter, State Management (Provider), Firebase Integration
- **Tools & Technologies:** Git, GitHub, Firebase, Streamlit
- **Soft Skills:** Problem Solving, Teamwork, Communication, Time Management

Experience

App Developer , AECOM Consortium – Ernakulam, Palarivattom, India	July 2024 – Sept 2024
• Developed an application to calculate reliability metrics for Kochi Water Metro boats.	
• Enhanced technical expertise while collaborating effectively in a team environment.	
Web Developer , NetVenture Digital Solutions – Ernakulam, Vytilla, India	Aug 2024 – Sept 2024
• Designed no-code websites and managed client requirements to deliver tailored solutions.	
• Strengthened skills in communication, project coordination, and digital solution design.	
Assistant Technician , ICM Computers – Ernakulam, India	May 2023 – June 2023
• Diagnosed and repaired corrupted systems, faulty drives, and hardware components.	
• Installed and configured new computers and peripheral devices for clients.	

Projects

Nyaya-Sarathi (Agentic AI Grievance Redressal System)	Epochon 2.0
• Built a multi-agent AI system with agents for user support, opposition, legal validation, structured output, and orchestration.	
• Proposed an IVR-based interaction model enabling AI access via phone calls without internet connectivity.	
Water Metro Safety Intelligence System	AECOM
• Built a safety monitoring system with role-based incident reporting and dashboards.	
• Integrated AI analysis to detect risk patterns and generate safety recommendations.	

Reliability Calculator App (Flutter)

Reliability-hub

- Designed an app to calculate MTBF, MTTR, and Availability for system components.
- Enabled real-time reliability analysis through user data inputs.

Certifications

- | | |
|---|------|
| • Cisco Certified Support Technician – Cybersecurity
verify.certipoint.com | 2024 |
| • The Complete Flutter Development Bootcamp with Dart – Udemy
View Certificate | 2025 |

Events

- | | |
|--|----------|
| Kerala State Equipped Powerlifting Championship <ul style="list-style-type: none">• Secured Silver Medal in the 93kg Junior category. | Jul 2025 |
| Vidyut Hackathon <ul style="list-style-type: none">• Participated as part of team Exception Handlers.• Developed a real-time call monitoring system to store and translate calls for enhanced security. | May 2025 |
| Kollam District Powerlifting Championship <ul style="list-style-type: none">• Secured Silver Medal in the 93kg Junior category. | Apr 2025 |
| OLabs Hackathon <ul style="list-style-type: none">• Participated as part of team PH4NTOM DIV3R5.• Upgraded OLABs with role-based access, AES password encryption, and audit logging. | Mar 2025 |
| EpochOn 2.0 Agentic Hackathon – Winner <ul style="list-style-type: none">• Won a 12-hour hackathon as part of team Saraswati.• Built Nyaya-Sarathi, a multi-agent grievance redressal and legal assistance system.• Designed agents for user support, opposition, legal validation, structured output, and orchestration.• Proposed an IVR-based AI system enabling agent interaction via phone calls without internet access. | Feb 2026 |
| Kerala State Equipped Bench Press Championship <ul style="list-style-type: none">• Secured Silver Medal in the 93kg Sub-Junior category. | Sep 2024 |

Community Outreach

- | | |
|---|----------|
| Seva Volunteer – Amritavarsham 72 , Amrita Vishwa Vidyapeetham <ul style="list-style-type: none">• Assisted in accommodation arrangements and provided security support for the event. | Sep 2025 |
| ICPC Volunteer , Amrita School of Computing, Amritapuri <ul style="list-style-type: none">• Assisted at the registration desk during the ICPC Regional Competition. | Dec 2024 |
| Technical Support Specialist , Ministry of Youth Affairs & Sports, Govt. of India <ul style="list-style-type: none">• Provided technical support during the inauguration of <i>Kreeda Gyan Pariksha</i>. | Nov 2024 |
| Seva Volunteer – Amritavarsham 70 , Amrita Vishwa Vidyapeetham <ul style="list-style-type: none">• Supported the event by assisting in plate cleaning and general help for devotees. | Sep 2023 |
| Student Social Responsibility Volunteer – Traffic Management , Thrissur <ul style="list-style-type: none">• Volunteered as a traffic warden at key junctions under the Thrissur–Kuttippuram KSTP Road Project.• Assisted in regulating traffic flow for public safety with support from EKK Infrastructure Ltd. | Sep 2025 |
| Student Social Responsibility Volunteer – Palliative & Elder Care , Thrissur <ul style="list-style-type: none">• Supported palliative care patients by assisting in physiotherapy, mobility, and daily activities.• Participated in home-based care for elderly and bedridden patients, ensuring comfort and dignity. | Sep 2025 |
